

HAMILTON ANIMAL CONTROL—STOP THE KILLINGS

The Issues:

- Approximately 3000 cats and 300 dogs are killed each year at the HAC
- No public adoptions offered
- Inconvenient opening hours for people to reclaim their companion animals
- Only 72 hours hold time before killing
- No feral cat program
- No spay and neuter program
- No education program

The Solutions:

- Open up public adoptions
- Expand network of rescues
- Extend opening hours for working people to reclaim their pets
- Give rescues & individuals more than 72 hours to save lives
- Stop picking up people's pets - respond to complaints only
- Trap, Neuter, Return (TNR) program
- Low, cost high volume spay and neuter clinic or rebate program to use with existing vets
- Public education programs, and more

How You Can Help:

Build Awareness. Tell everyone you know what is happening at HAMILTON ANIMAL CONTROL.

Spay or neuter your pets.

Do not let your cats roam.

Adopt from a rescue or shelter.

Join our Facebook groups,
ORA Animal Rescue
<http://doiop.com/ora> and
"Hamilton Animal Control -
Stop the Killings" (HAC-STK)
<http://doiop.com/hac-stk>

Write the Mayor & Councillors to demand change. Sample letter & all email addresses available on the HAC-STK Facebook site.

Attend Protests & Rallies. Details to be found on Facebook sites.
